Geometric String Design                      Dates: 3/6, 3/20

Come design your own string art! Order and symmetry are the basis of string art's appeal. Elaborate designs can be created with geometric shapes, points, and colored string. Everyone will have an opportunity to make their own individual creation.

Styrofoam Printing                              Dates: 4/10, 4/24

Printmaking can be a fun way to explore the world of art. Children will carve the styrofoam into a printing block and then make a print of their own creative design. The children will learn the techniques of multicolor printing.

Polymer Clay Beads                              Dates: 5/8, 5/22

If you love working with clay, try working at a small scale making beads! Come make a polymer clay bead necklace, bracelet, or piece of art. A great way for your child to make a gift for Mother's Day.

Stationary Making, Recycled Paper        Date: 6/12

Come and make stationary and postcards to take with you this summer to send to your friends and family. We will use recyclable supplies for our creations. Bring your collection of string, glitter, small flat treasures to embellish your stationary! Come have some fun!
